**Portability:** With Pro-Techt's 11 custom mounts you have the portability to use *Mantis* almost anywhere

**Minimal Interference:** No bulky tops or restrictive straps or frames to deal with; easily fish or enjoy the outdoors without the hassle

## Welcome to Pro-Techt!

Making peoples outdoor experiences more comfortable, enjoyable and safer is the cornerstone of **Pro-Techt's** mission. That is why we have dedicated ourselves to developing innovative, attractive and functional quality products that are designed to "Pro-Techt" people from the elements. With **Pro-Techt**, you get the protection and comfort you want, when and where you want it. **Pro-Techt** is pleased to introduce the **Mantis**, a revolutionary concept in weather protection enabling anglers and boaters greater safety, convenience, and comfort while addressing traditional boat top and umbrella limitations. The **Mantis**, is constructed of durable weather resistant materials and offers: quick attachment and deployment, infinite angle adjustment, and compact storage. **Mantis** is lightweight, (< 7 lbs.) and reduces to 38" x 6" x 5" when not deployed. With our multiple universal mounts, you can use your **Mantis** almost anywhere including: boats, decks, balconies, docks, grills, hot tubs, fish cleaning tables, tractors, riding lawn mowers, scooters and wheel chairs.

## Are You Protected??

Don't underestimate the potentially harmful effects of exposure. Unprotected exposure to the sun and heat can pose serious health risks, and even death, and can keep you from enjoying your time outdoors. Overexposure to the sun can lead to a variety of illnesses including: Skin Cancer, Heat Stroke, Heat Exhaustion, Heat Cramps, Premature Skin Aging, Cataract & Eye Damage, and Immune System Suppression. The elderly, children, and pregnant women are even more susceptible!

**Shade is a universally accepted preventive measure to minimize sun exposure and mitigate the associated health risks. Get smart, Get Pro-Techted with Mantis!**

## Satisfaction Guaranteed!!

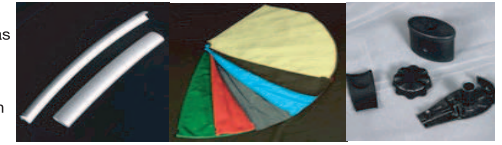

Your satisfaction is paramount at **Pro-Techt**. **Pro-Techt** backs its products with a limited lifetime warranty and a 30 return policy, and is committed to providing you the best customer service in the industry. Period!

## Commitment to Quality

**Pro-Techt** has made significant investments in designing and producing our products to ensure that: **Pro-Techt** products deliver as promised and hold up under the harsh conditions of the marine environment. Our manufacturing facilities follow strict quality control standards, utilize the best materials and finishes available, and have undergone extensive field testing. Metal parts and are made of powder coated 6061 aluminum and stainless steel. Fabrics are selected for their high degree of UV protection, abrasion and mildew resistance minimal shrinkage, colorfastness and choice of colors. **Mantis** "+" models feature industry leading 100% solution dyed acrylic Sunbrella fabric with a 5 year fabric warranty. Plastic parts are made of tough, UV resistant Nylon 6 plastic.

## Mantis is quick & easy to use & attaches almost anywhere!

### 5. DEPLOY CANOPY

Rotate the leading edge of one or both fabric shells into place, after unfastening the elastic loops. Press locking hinge of support arm(s) into place, securing canopy in the open position. You're Done!

### 6. ADJUST HEIGHT ("Pro" and "Pro+" models only)

With telescopic latch mechanism in the open position, raise the canopy vertically to the desired height, then fully close the latch mechanism until it "locks" into place.

## Hear what our customers & experts are saying about Mantis:

"A definite must have if you spend hours and hours on the water and constantly brave the elements in the pursuit of that once in a lifetime fish." See: <http://www.tackletour.com/reviewprotechtmantis.html>

Selected, Bassmaster Magazine's 2004 Bassin Accessories "Too cool not to mention"

"The uses are endless. It is a portable awning that is lightweight but heavy duty. Totally adjustable sun and weather protection on demand..." Bob Macaulay, RCR Yachts

"I installed the **Mantis**. It is absolutely the cat's meow! Really, really neat. Very high quality components. I am totally impressed. My hat goes off to whoever designed this entire unit. Very sleek. It installed in 5 minutes. My wife and I love it!" Jerry K, GA

"We are enjoying the top. Hope you are getting some calls, lots of interest. The bimini is back in the boat house." Regards, Frank & Capt. Barbara", GA coast

"We just received the new **Pro-Techt Mantis** seat shade. WHAT AN INCREDIBLE ITEM! All I can say is that someone has finally figured out a device for fisherman that fish in the heat of summer. It is easy to install (took me about 3 minutes), does NOT inhibit your fishing and is easily stowed and deployed, less than 2 minutes from fully extended to in the rod locker." Brian, Guide, NM

"I love my **Mantis**, it works so much better than my bimini top...much more room to cast!" Terry, IA

"I got to try the **Mantis** to protect me from the rain. It was a calm day with a light drizzle and rain. I put up the **Mantis**...It worked great!!! It was like standing under a patio cover and looking out at a rain storm. It really made the day more enjoyable." Norval, CA

"I've mounted the **Mantis** on the front and rear pro seats on my Triton 190 FS. They're terrific! They store nicely in my front deck compartments and are very easy to use...with the many adjustments that can be made, the **Mantis** has provided shade protection without hindering my fishing activities" Lee, TX
